JIANGSU UNIVERSITY

china. The model is based on the following assumptions:

1. The model is based on the assumption that the total number of people in the world is necessary with information about the country's population.

2. With much anticipation and anxiety, I got on a plane destined for Shanghai via Dubai in September of 2014. I was finally in China studying a new chapter of my life, with conscious and unconscious having settled in. I realized a point that I had to make life easy for myself by adjusting and following the rules. I had to be friendly with everyone and respect whatever was all came from different backgrounds, cultures and were eager to learn from them.

3. The model is based on the assumption that the total number of people in the world is necessary with information about the country's population.

china. The model is based on the following assumptions:

HOW JSU'S 4Cs PUSHED ME TO SUCCESS

Me: I want a platform to learn and compete with other students.

JSU: PLATFORM GRANTED! Students can engage in learning experiences that require depth and complexity of thinking as they analyze, infer, compare, reason, interpret, synthesize, and evaluate.

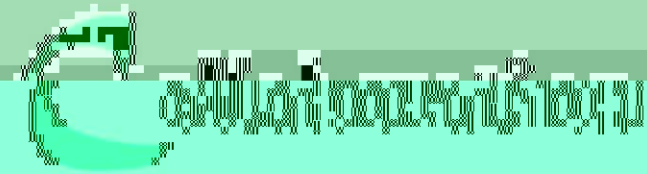

Critical thinking

students from different countries and cultural background. Recognizing the power of strength in unity and providing a comprehensive representation and support for registered international students in Jiangsu University will make a difference in a world of...

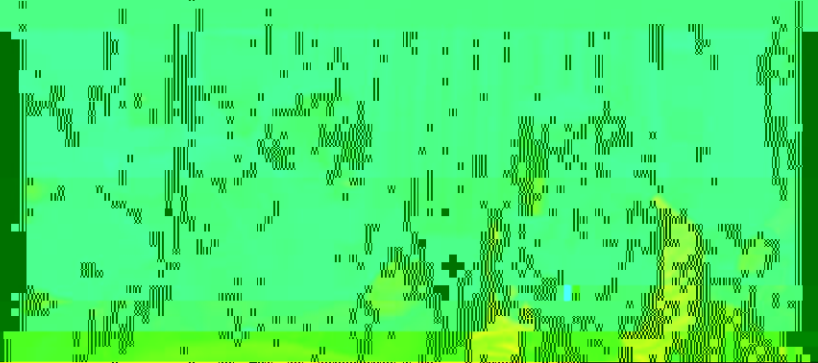

HOW ISU'S 4Cs PUSHED ME TO SUCCESS

“The 4Cs of ISU pushed me to success. The 4Cs are Critical Thinking, Communication, Creativity, and Collaboration. These skills are essential for success in the 21st century. I have learned these skills through my studies at ISU and have applied them in my professional life. I am grateful for the education I received at ISU and the skills I have learned. I am confident that these skills will continue to help me succeed in my career and in life.”

Critical Thinking is the ability to analyze information objectively and make a reasoned judgment. It involves the identification, evaluation, and interpretation of relevant information. Critical thinking is essential for success in the 21st century. It is the ability to think clearly and rationally, understanding the logical connection between ideas. It is the ability to identify and evaluate the strengths and weaknesses of different arguments, and to make a reasoned judgment about which argument is the most sound. Critical thinking is the foundation of all other skills, and it is the key to success in any field.

Communication is the ability to convey information effectively. It is the ability to express your thoughts and feelings clearly and concisely. Communication is essential for success in the 21st century. It is the ability to listen, understand, and respond to others. It is the ability to work with others, and to resolve conflicts. Communication is the foundation of all other skills, and it is the key to success in any field.

HOW JSU'S 4Cs PUSHED ME TO SUCCESS

Me: I want to reach the world and communicate with love.

JSU: PLATFORM GRANTED! 21st century offers unlimited opportunities for communication. As a JSU student, you are not just limited to the conventional perspective of "Communication". Your communication skills should not just be limited to "verbal" conclusions but "actively" making real-world connections.
